About Me

Personal Overview

I am Dania Darweesh, 24 years old , Jordanien from Palestine origins. I live mainly in Jordan .

I am a fan of Anime, admire living new experiences and my favourit sport play Chess. But what i love the most; to be one of the contributors to develop the world in the technology and innovation fields.

Background

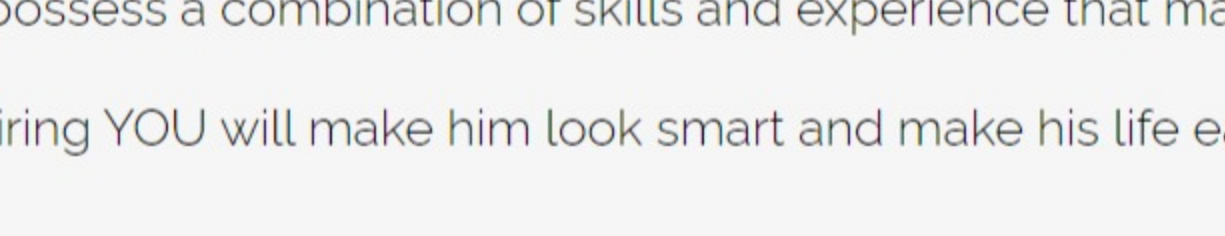

My passion for programming started since I was a younge girl, so I started studying a Computer Information Systems in 2016 at Al-Balqa Applied University and I have graduated in 2020 with 3.04 GPA .

My Experience

I have worked on many projects for some companies and got intensive training for six months from Coding Academy by Orange as a full stack developer .

Skills

Technickal Skills :

Why Me?

Firstly I really love what I am doing ,I can do the work and deliver exceptional results to the company. I will fit in beautifully and be a great addition to the team .

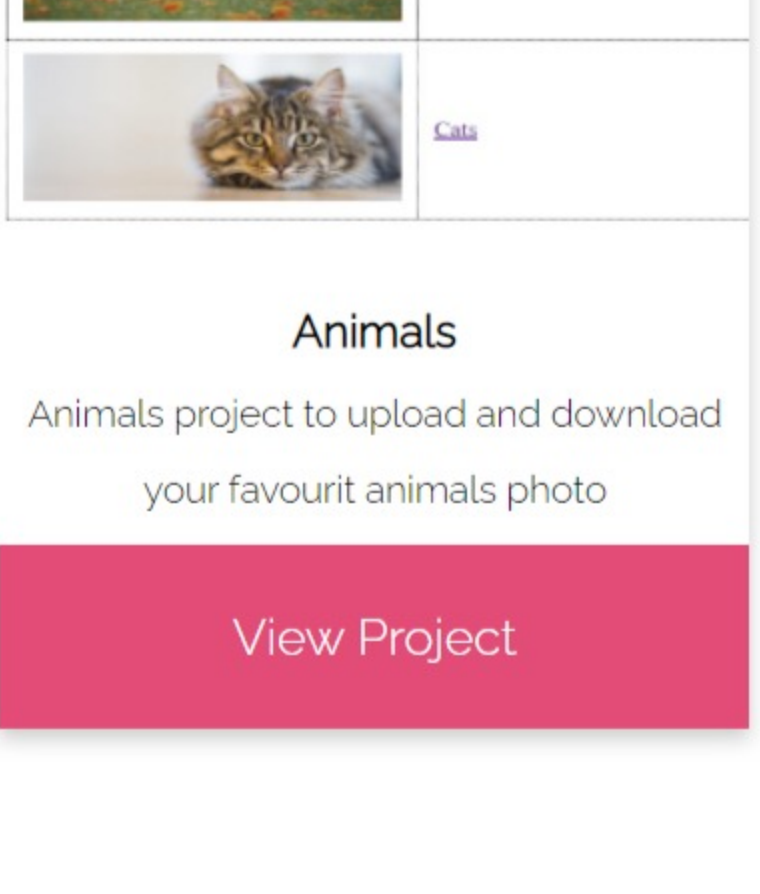

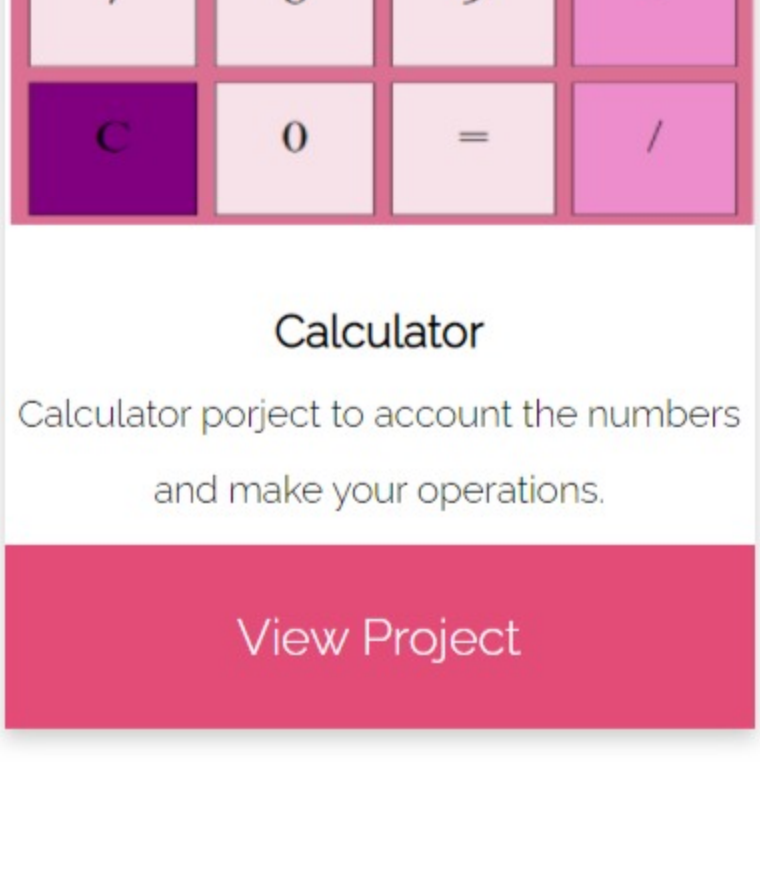

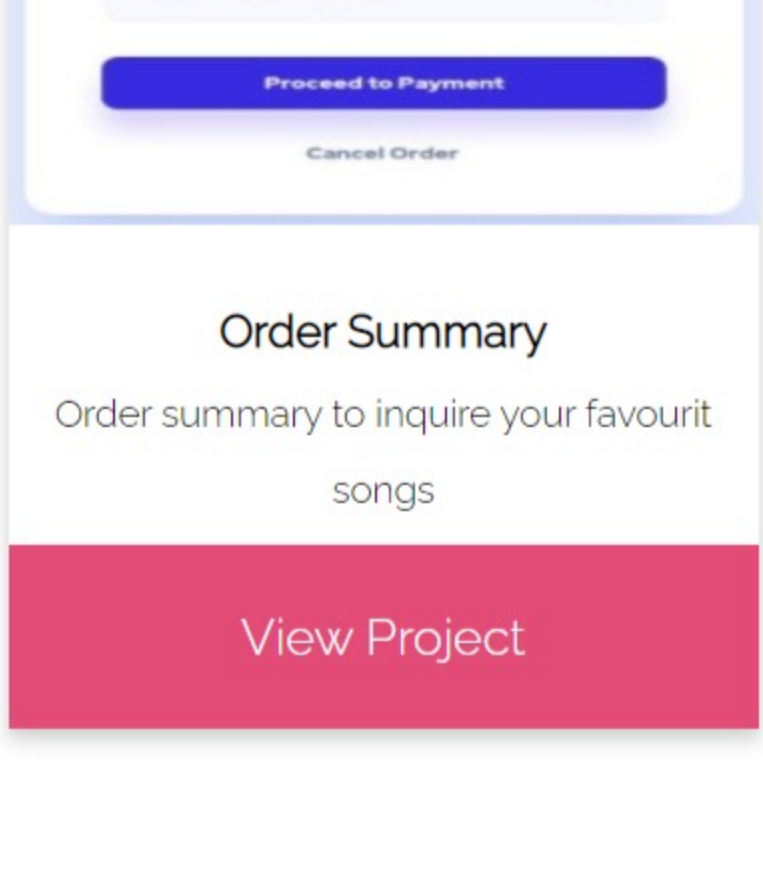

I possess a combination of skills and experience that make you stand out.

Hiring YOU will make him look smart and make his life easier

AMAZING MOMENT
